

# 6-18mo completer basket

1. Buy a small laundry basket to fill: 1.5 bushel rectangular baskets work best.
2. Choose whether your basket will include items for a baby boy, baby girl.
3. Purchase or gather items from the list. New or gently used items are okay.
4. Remove tags and hangers from any items.
5. Assemble your basket. Use this sheet to check off the items that you've included.
6. Let us know whom we should thank by completing the information at the bottom.
