

FIRST IMAGE GALA 2024

Host Guide

Why should you host a table?

Our annual gala is an important event for the ministry of First Image. The funds raised through the Gala ensure that we can continue to provide compassionate care to the women and families we serve. This is a great opportunity each year to connect with our community and hear about the life-affirming work that is happening in our clinics. We need partners like you to take the next step by inviting those in your sphere of influence to engage with the ministry of First Image. Your community will benefit by seeing your passion for life and for the men, women, and babies we serve.

Be in Prayer

Before registering, prayerfully consider whom to invite to join your table. The Gala is our formal fundraising event, geared towards sharing the mission of our work and inviting our guests to financially partner with us. Pursue and invite those within your sphere of influence who would benefit from learning about and being financially involved in the mission.

Table for Ten

Each table seats ten people—including yourself. As a Table Host, we encourage you to invite guests to fill all ten seats. Please ask your prospective guests to respond to your invitation at least two weeks before the Gala, so that you have time to invite others if they cannot attend. If it seems like you will not be able to fill your table of ten, please let us know so we can fill the rest of the spots.

Register to Host

Register to host a table on our website. Once you have purchased your host ticket, you will receive a “Table Host Confirmation” email with a link to manage your guest list. There you can register a new guest, invite friends, or email your guests.

Pay By September 21st

Table Host payments can be made online at registration or by mailing a check. If you choose to pay by check, please submit your payment by September 21st.

At the Event

Hosts will arrive at 5:30pm to join their guests for drinks and hors d'oeuvres. At 6:30pm, we will begin ushering guests to their seats – please be at your table to welcome them (tables are assigned before the event). We will have a table chart to refer to, in addition to greeters who will be available to help you and your guests locate your assigned table. There are no assigned seats at each table, but feel free to arrange the seating as you see fit.

A plated meal will be served at 6:30pm. During the meal, take time to hear from your guests about their interest in First Image and to share about your involvement. Following the meal, there will be a program including stories from our clinics, a keynote message, and an opportunity to partner with us financially.
